to the Bar, that the Hon. Wm. L. Lee had tendered his resignation as Chief Justice of the Kingdom.

Memorial

Mr. moved that Messrs. Montgomery and Robertson be a committee to draw up resolutions respecting the late resignation of Judge Lee, which motion was unanimously adopted. The Committee, after consultation, reported the following resolutions which were unanimously adopted:

Res.

Resolved; That the members of the Bar of this Kingdom residing at Honolulu, have learned with unfeigned regret, that the Honorable Wm. L. Lee has, on account of the precarious state of his health, tendered to His Majesty in Council, his resignation of the office of Chief Justice of the Supreme Court, an office which he has ~~held~~ so long filled with the highest degree of credit to himself and incalculable benefit to the people of these islands, foreigners as well as natives.

Res.

Resolved; That should His Majesty acept the resignation of Chief Justice Lee, it would create a vacancy in the Judiciary Department, to fill which, another person equally well qualified cannot be found. We therefore indulge the hope, that some means may be devised of averting a result so much to be deplored, by relieving Mr. Lee from a portion of his labors, thereby placing him at liberty in some degree to pursue the means of recruiting his shattered health, and we would respectfully take this opportunity of suggesting to the King in Council, the adoption of some such means as above indicated, so as if possible, to avert the consummation of an event, which must heartily be deplored as an irrepable ~~evil~~ misfortune to all classes of the community.

Res.

Resolved; That copies of these resolutions be forwarded to His Majesty in privy Council, and to Chief justice Lee, signed by the several members of the Bar

Rep. unfavrbl. to criminals

Mr. Lee, a committe read a Report unfavorable to the releasing of criminals on the coming to the throne of the New King.

Approved

Voted that the Report be approved and entered on the Minutes. The Report is as follows

Honolulu December 19 1854

May it please Your Majesty,

Report

The Undersigned, to whom was submitted the question of the propriety of extending pardon to all criminals on your accession to the Throne, begs to report, that in his opinion, such an act would be highly and impolitic.

Instead of promoting the public good, it would inflict a public injury - instead of promoting peace, order, and respect for the laws, it would lead to anarchy, confusion and a feeling of general insecurity - instead of promoting the popularity of Your Majesty it would cause upright men to distrust your wisdom and justice, and lessen that respect for the Chief Magistrate of the Land, so important to the stability of his Government. To turn this horde of criminals loose upon society to renew their depredations, would, in the opinion of the undersigned, be a most inauspicious commencement of the new reign

Pet. of Foreigners

To His Most Gracious Majesty Kamehameha IV. in Privy Council

Sire

We, the Undersigned, residents of, and doing business in, Honolulu, having learned that is your Majesty's intention, to make a new appointment to the position of an associate Judge, of the Supreme Court, vacant by the resignation of Judge Andrews, would most humbly represent, that Your Majesty's Supreme Court is at present provided with an associate Justice in the person of the Hon. John Ii - exceedingly well versed in the ancient Local Laws and customs of your Majesty's kingdom, as well as in its language

We would, therefore humbly pray your Majesty that if a new appointment is to be made, Your Majesty would be pleased to select for the office some person skilled in Maratime and Commercial Jurisprudence, in which branches of the law, there are continually arising perplexing, and to us important questions. We would therefore humbly suggest for your Majesty's consideration, Your Majesty's present Special Law Adviser, as a person, whose legal learning, length of practice, and character in the Community mark him as one peculiarly well fitted to aid Your Majesty's present Chief Justice in the discharge of his duties, and during the Chief Justice's absence effectually to administer the Law

Mr. Armstrong read the usual prayers

The Secretary, not having received notice as had been suggested, it was resolved that the reading of the last Minutes be post-poned; and that Mr. Wyllie is appointed Secretary pro. tem.

The King came in and expressed his wish that while He was preparing certain documents, the Council should consider any business in detail that was necessary.

Royal School House

Mr. Armstrong showed the necessity of certain repairs to the Old Royal School and asked permission to make those repairs and pay them out of the Rent which is $600 per annum.

Mr. Lee objected to an unlimited expenditure in reference either to the Royal School or any other Old House. That was a duty which should fall on the Tenant

$150.00

It was agreed that that Mr. Armstrong has authority to expend $150 in making necessary repairs to be charged against the rent; That if $150 should not be sufficient for the necessary repairs, then to apply to this Council afterwards for what farther sum may be necessary

Res.

Mr. Allen regretting the absence of the Report of the Committee on the Funeral Expenses of the late King, brought forward a special Resolution respecting the payment of the Amount $26.025.00

Dut. of Priv. Coun.

Paki made certain inquiries in regard to the duties which the King expected of his privy Councillors and stated that if his Council were composed of good men he was willing to accept the Commission, but that if the Council contained bad men, he would rather decline.

Gov.

The Governor stated that the proper course for Paki to adopt would be to state his views privately to the King.

Wyllie

Mr. Wyllie stated that in the position of Paki as a high Chief and officer of the late King, it was impossible to doubt the goodness of his intentions and his wish to support the King's Throne by a United Council, but he, Mr. Wyllie thought it would be ~~better~~ more respectful to the King, and most consistent with his own sake as a High Chief, to adopt the course suggested by the Governor.

Young

Mr. Young took the same view.

Gov.

Governor Kekuanaoa confirmed his former view, and wished that the Council should express their desire that Paki should accept his office at once.

The King stated his pleasure to retain the Commission which Paki decided not to accept for reasons stated by him until the mystery at present involving his refusal should be fully explained

Prince Kamehameha commended the open and manly conduct of Paki and expressed a wish that Paki should name the objectionable parties and have the question settled at once.

Mr. Lee also at some length took the same view, illustrating the practice by Paki and proposing that the names of the parties already Privy Councillors should be read

The King gave permission to Mr. Wyllie to read the names and passed to Mr. Wyllie four other names of persons to whom he intended to send Commissions

Haalelea

Paki objected to this and stated that he would prefer, at once stating to whom his objections applied. He named Haalelea and wished to retire. The King ordered Paki to remain and substantiate the charges he had made.

Mr. Allen proposed that the question should be decided by ballot.

Prince Kamehameha suggested a committee

Kekuanaoa suggested that by the Old Hawaiian usages, Haalelea should retire

Mr. Wyllie stated his objections to the Ballot proposed, because it involved the alternative of either losing the valuable services of Paki in this Council or of showing a disrespect to the King's nomination

Haalelea rose to explain certain law suits that had taken place between Paki and him, which he supposes were the ground's of his objection to him - but said, Paki was a great chief and he (Haalelea) was a small man; and if it were thought proper, he was willing to give way to Paki

Mr. Lee remarking that no man should be condemned unheard, moved that the Council be resolved turned into a Committee of the whole to try the question

Mr. Wyllie seconded this.

Priv. Coun. Com. of a the whole

It pleased the King to resolve the Privy Council into a Committee of the whole and to order the following record to be made

"The King wishes it to be understood that he leaves "this question to the Privy Council, because one of the "members of the Privy Council accuses another of offences "rendering him to sit in the Privy Council; and he wished it

not to be considered as a Precedent against the exercise of his Prerogative in future

Paki

Paki stated that Haalelea took money from him - brought an action against him (Paki) for slander; and that as the Court had given a verdict against Haalelea, he considered the charge virtually proved. He appealed to Mr. Lee for the facts as it was he who had tried the case. He could not, therefore, sit in Council with such a man as Haalelea; but he would otherwise assist the King and be his friend.

Prince Kamehameha asked Mr. Lee what he had to say in the matter

Mr. Lee suggested that Haalelea should first be allowed to speak in his own defence

Haalelea

Haalelea, accordingly, explained, - denied having taken the money and though he had lost his suit for slander, he had not been ordered to return the money

Parties retire

The King ordered the two parties, Paki and Haalelea to retire

Mr. Allen stated that it was not necessary to go into the proof of the charge, but to consider what was necessary to restore union and strengthen the Privy Council

Mr. Wyllie stated his opinion in accordance with Mr. Allen's view and moved the following Resolution

Res. 2

Res. 2.

It is expedient for the peace and unity of this Council, that the offer of Haalelea to retire be accepted

Prince Kamehameha did not like that because it appeared to him to be a condemnation of Haalelea without proof.

Piikoi said, it is not clear that Haalelea is really guilty; but still he adopted Mr. Wyllie's view, because otherwise, the King would lose the services of Paki, who was a member of the Royal Family and worth 20 Haaleleas

Res. passed

After some further discussion the above resolution was passed.

Appointments

It pleased the King then to make known his pleasure to make the following appointments Viz. John Ii, Lorrin Andrews, A. Paki, C. Kanaina to be members of Priv. Council
